

## LEGAL NOTICES – REQUIRED BY LAW

### Notice To Individuals Enrolled In The University Of Utah Employee Health Care Plan

Group health plans sponsored by state and local governmental employers must generally comply with Federal law requirements in title XXVII of the Public Health Service Act. However, these employers are permitted to elect to exempt a plan from certain requirements for any part of the plan that is “self-funded” by the employer, rather than provided through a health insurance policy.

The University of Utah has elected to exempt the University of Utah Employee Health Care Plan, which is self-funded, from all of the following requirements:

1. Standards relating to benefits for newborns and mothers. The University’s Plan will cover medically necessary hospital stays in accordance with the recommendation of the member’s health care provider.
2. Parity in the application of certain limits to mental health and substance use disorder benefits (including requirements of the Mental Health Parity and Addiction Equity Act of 2008).
3. Certain requirements to provide benefits for breast reconstruction after a mastectomy. The University’s Plan will continue to cover reconstruction and other benefits.
4. Continued coverage for up to one year for a dependent child who is covered as a dependent under the plan solely based on student status, who takes a medically necessary leave of absence from a postsecondary educational institution. The University allows students to miss one semester each academic year and retain their student status.

The exemption from these Federal requirements will be in effect for the plan year beginning July 1, 2022 and ending June 30, 2023. The election may be renewed for subsequent plan years.

### Privacy Policy

The University of Utah Employee Health Care Plan and the University of Utah Flexible Benefit Plan are required to follow strict federal and state laws regarding the confidentiality of Protected Health Information (“PHI”). The Plans’ Notice of Privacy Practices describes the Plans’ practices relating to PHI and the rights members of the Plans have concerning their PHI. The Notice of Privacy Practices is available at [www.hr.utah.edu/ben/privacy](http://www.hr.utah.edu/ben/privacy). To obtain a copy by mail, contact Human Resources at (801) 581-7447.

### Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov). If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2022. Contact your State for more information on eligibility.
